	In very comfortable modern ships we sail around the Archipelago, Bridges Islands and Les Eclaireurs lighthouse, rocky outcrops in the middle of Beagle Channel that go together with the mountain chains that close this magnificent interoceanic passage. We'll sail opposite Túnel Farm, the southest farm in the World.
	USHUAIA / EL CALAFATE
DAY 5	Breakfast. Transfer to Ushuaia Airport for domestic flight in regular service. Arrival. Reception and assistance by our staff at the airport. Transfer in regular service to the hotel. Check in.
DAY 6	Breakfast. Departure from the hotel to enjoy the tour to the Perito Moreno Glacier and the "Safari Nautico" in regular service. Los Glaciares National Park has been declared to be Mankind Heritage by the UNESCO (National Park fee included). These glaciers, about 47 of them, show a work of 10 thousand years ago. The most famous is Perito Moreno Glacier, located in the extreme south - west of Lago Argentino, 80km/50miles away from Calafate. Is was named after the great argentine explorer from the 19th Century and it is one of the few advancing glacier, that is why, it has become a mayor amazing landscape in southamerica. Every certain time, from its front walls of 60mts/196ft high fall down giant blocks of ice, as big as buildings, into the waters of Brazo Rico or Canal de los Tempanos (Icebergs Canal) and finally gets to the main part of the lake. However, there's more! The advancing of the glacier does it approach to Peninsula Magallanes, on the opposite side of the lake, where there are balconies to be able to enjoy it. The cycle takes between 4 to 6 years and divides the lake into two parts.
DAY 7	 EL CALAFATE Breakfast. Free day at leisure. We recommend you the Optional Ice River Express Tour (Upsala & Onelli navigation) Early morning departure from Puerto Bandera. Sailing first across the south and north arms known as Garganta de Diablo. We'll see spectacular icebergs of different sizes and shapes, floating and wandering around up to Upsala Glacier (50km wide /10km long with a surface approximately of 590 km2 /228 Sq miles) belonging to one of the most extensive in America.
